To
The Director,
Center for Academic Courses,
Anna University,
Chennai.

Respected Sir,

Sub: Submission of 2022-2023 feedback from various stakeholders related to our Curriculum and syllabus-Reg.

We are very much thankful to Anna University for considering most of our previous suggestions and incorporating them in the 2021-Regulations curriculum and syllabus.

We had taken feedback from various stakeholders (Students, Teachers, Alumni and Employers) of our Institution for enhancing the academic quality and identifying the gaps in the curriculum as per the current requirement. We have listed below the key suggestions related to curriculum and syllabus. We are very pleased to bring this to your kind notice for further actions and improvements while reframing the curriculum and syllabus.

Suggestions related to curriculum and syllabus:

1. Few recommended text books and reference books are not available in the market related to the new emerging domains.

2. Selecting elective subjects is challenging due to the requirement of ensuring no repetition in vertical rows or columns, and the lack of clarification adds to the difficulty.

Thanking you,
