With reference to the letter cited above, please find the following points in connection with Naan Mudhalvan Courses for implementation from the forth coming Odd semester of Academic Year 2024-25.

1. Registration of students on Naan Mudhalvan portal to be verified by the SPOC and discontinued students to be marked in the portal.
2. The Naan Mudhalvan courses should be regarded as a standard workload for faculty members who are responsible for teaching NM Courses. The FDP that they attend should be added as credits in the Career Advancement Scheme (CAS) that is mandated for faculty.
3. Implementation of Naan Mudhalvan Day for each semester will be followed as per the table given below. Henceforth, instead of single Naan Mudhalvan Day for all the semesters, Naan Mudhalvan Day will be in different day order for each semester in the same college. This is to be followed from this academic year 2024-25.

NM DAY SCHEDULE				
Zone↓ / Sem→	1 / 2	3 / 4	5 / 6	7 / 8
1,2,3,4	Thursday	Wednesday	Tuesday	Monday
5,6,7,8	Friday	Thursday	Wednesday	Tuesday
9,10,11,12	Monday	Friday	Thursday	Wednesday

All Host Institute including University Departments / Constituent Colleges / Government / / Self-financing Colleges are requested to provide facilities for the effective conduction of FDP.
5. End semester examinations for the Naan Mudhalvan Skill based courses will be conducted along with the practical schedule given by the Controller of Examinations, as was done last semester. The Master Assessor who qualifies during the FDP conducted will be shared by TNSDC to the Controller of Examinations for each and every Naan Mudhalvan Skill based courses offered during every semester.
6. After the practical exams are completed, the respective examiners are requested to provide the Marks in the Anna University Controller of Examination Portal for Naan Mudhalvan Skill based courses.
7. For courses which are carried out Virtual mentor led in all the colleges; the faculty trained by the training partner should carry out the classes physically for their students.
8. The successful students in Naan Mudhalvan courses can drop one course from either the Professional Elective or Open Elective in the 6th and 7th Semesters. Naan Mudhalvan courses will be taken into considerations for CGPA calculations. However, the students who are not able to clear Naan Mudhalvan courses have to take their regular elective courses and the students should ensure the minimum requirement of credits in TOTAL for the award of the Degree.
9. Participation of students in the end semester Hackathons conducted by Naan Mudhalvan should be mandated.

Please ensure that the above comprehensive instructions and guidelines are disseminated to your College's Single Points of Contact (SPoCs), Heads of Departments (HoDs), Faculty members and students as appropriate to facilitate the successful execution of the Naan Mudhalvan Scheme. This initiative is crucial for enhancing the industry-relevant skills of Engineering students and requires the active participation and commitment of all educational stakeholders.
